Abot Me

Halo, my name is **Faisal Adnan** designer person with abilities in **UI/UX Design, Graphic Design, Design Thinking,** and **Research.** Design is a challenge for me because, beside i need to solving visual problems by following trends, I also have to think about strategies so that the design is comfortable and easy for users to use.

Work Experience

Ezyprint

Graphic Designer │ 2019 – 2020

Create design for digital media such as social media content, video content. I also create design for print media such ac ID Card, Calendar, Banner, etc.

Belanja-rak.com

Graphic Design & UI Design │ 2020 – 2023

Create design for digital media such as social media content, video content. I also create design for print media such ac ID Card, Banner, Sticker, Web Design, etc.

Kano Teknologi Utama Inc

UI/UX Design & Graphic Design │ 2023 – Present

Creating mockup with high fidelity design, wireframing, research, braindstorming, & mind mapping. Sometimes i have a task for creating social media design the company it self.

Feel free for review my portfolio
